

Michigan Realtors Convention Expo This Week

Some of the top individuals in the corporate world are descending on the Motor City next week to mingle, network, and educate individuals from the real estate business. The Expo will feature workshops, classes, and speeches from some of the best and brightest from a number of industries, including:

Dan Gilbert - Grand Assembly Keynote Speaker

Dan Gilbert is the Founder and Chairman of Quicken Loans Inc, Rock Ventures, LLC., and the majority owner of the Cleveland Cavaliers. Dan also has irons in many other fires including Fathead, Flash Seats, Xenith, and One Reverse Mortgage. Dan was a significant contributor to the cleanup of Detroit through his seat as a chair of Blight Removal Task Force and Bizdom, a non-profit that trains and mentors startup finance businesses.

LEARN MORE

Crystal Washington - Grand Gathering Keynote Speaker

Crystal has worked for Google, Microsoft, GE and many other companies around the world to make their online content easy and accessible. She is the owner of CWM Enterprises and co-founder of Socialtunities, and she educates companies on how to effectively use social media. Crystal also runs a weekly technology segment on Fox, Houston and authored the book *The Social Media Why: A Busy Professional's Practical Guide to Using Social Media Including LinkedIn, Facebook, Twitter, YouTube, Pinterest, Google+ and Blogs for Business*.

Tim Conner - Closing Keynote Speaker

Tim is the Founder and CEO of Connor Research Group and Peak Performance Institute. Tim is a professional speaker, coach, trainer, consultant and has been a best-selling author of over 80 books during the last 35 years. He has become famous for the success of his presentations, Boot Camps, and Strategic Planning Events.

If you're in the real estate industry and would like some expert advice, follow the latest at the [Michigan Realtors Convention](#). And for more information for realtors, lenders, developers, and contractors on real estate transactions, visit the [Vanguard Title homepage](#).
